

DUNBAR GOLF CLUB

MEMBER PRIVILEGES

Please note that some time ago Council decided to increase the privileges for members by increasing the numbers that can be booked in certain circumstances. For clarification there are now three types of guest bookings that can be made by members as follows:

1. Presently every member can sign on up to three guests at any time, subject to availability; the same guest can only be introduced on two occasions in any one month
2. In addition to this members can now, **once a year**, introduce a party of up to 11 guests at £12 per guest and the time can be negotiable but preferably be between 2.00pm and 4.00pm and only **during the week**. This would obviously be subject to availability. Members are reminded however that due to licensing laws only six guests can be allowed in the bar area with each member. All guests must be paid for in advance.
3. Also and in addition to 1. above and subject to normal restrictions a member can now book for a party, **any day of the week** in advance for as many people as he/she likes and as mixed a group as desired. Members would obviously not pay and each member would be entitled to pay for 3 guests with any more being charged the full visitors rate, currently £57 (£75 at the weekend). A £10 deposit must be paid in advance for all non members.

All bookings in categories 2 and 3 must be booked through the office.
